TZEDAKAH

Tzedakah (charity) is a basic value in Judaism. Our school attempts to develop a commitment among our students to share with others less fortunate than themselves by donating a few pennies a day to charity. Please try to provide your child with a few coins for Tzedakah each day, so he can perform this Mitzvah.

SNACK

There will be a 5 minute break during which the children will get a snack. We request that you do not send any additional snacks or drinks due to Kashrut and health reasons. If there are any specific concerns, please be sure to discuss this with us prior to the start of the school year.

YOUR INVOLVEMENT

The progress of each individual student is very important to us. Please help us maintain close communication between the school staff and parents by calling us if there are any concerns. Parents should notify the school promptly of any change in address, telephone number or emergency information.

HOMEWORK

Parents are encouraged to review each week's lessons with their child. Your encouragement will be of great assistance in making the homework experience a positive one.

PARENT-TEACHER CONFERENCES

Parents are invited to schedule a private conference with their child's teacher. This will enable parents to discuss the progress of their children with the teachers personally and individually.

E-MAIL UPDATES

Please ensure that you have given us a valid, current email address so we can keep you informed about what your child has learned, let you know about special events and send pictures. Your comments are always welcome, as we are always looking for ways to improve our educational program.

ATTENDANCE

Regular attendance is crucial in accomplishing the goals of our educational program. Your support of our attendance policy will be greatly appreciated.

ILLNESS

Please notify the school in case of contagious disease or any changes in your child's health during the year i.e. vision, hearing etc.

OUR CURRICULUM

We hope to engage your child's sense of identity by capturing his imagination and attention. So, we put a lot of effort into providing our students with substantive lessons and a positive atmosphere. The lessons are multi-sensory and hands-on, ensuring that the students truly experience what they are being taught.

Our Hebrew School uses the new, acclaimed Aleph Champ program to ensure that your child will read fluently at the end of his/her Hebrew School experience.

ALEPH CHAMP

This revolutionary Hebrew reading program, modeled after the Karate Martial Arts system of motivational colored levels, breaks up the Hebrew reading process into bite sized motivational levels making it exceptionally kid friendly and exciting. Students start out as a White Aleph Champ as they learn the first half of the Hebrew letters. Complete with color coded books, flashcards and medallions, they work their way through the different "belts" until they become a black Aleph Champ with the ability to read fluently from the Siddur (prayer book).

Reading groups are divided by color instead of age, allowing each student to advance at his own pace. Aleph Champ gives children the motivation they need to advance steadily in their Hebrew reading.

TORAH

Study of the weekly Torah portion provides our students with practical lessons that apply to their daily lives.

JEWISH HISTORY AND CULTURE

Our students gain an appreciation of our heritage and culture as it has been preserved in modern times. Creation, the giving of the Torah, modern day Israel; all this and more will be taught through interactive stories, songs and art projects.

HOLIDAYS AND SHABBAT

As the students progress through our school, the traditions and lessons from the Jewish Holidays provide a deeper and more practical level of understanding. Families and guests alike enjoy celebrations and festivities hosted by the school.

ISRAEL

The uniqueness of our homeland is imparted to our students: Israel is not just another country but truly the "Promised Land".

JEWISH VALUES

Beginning with simple lessons, our younger children explore the origins of the mitzvot. We stress practical application to the child's daily life in school and at home. The older children delve into the spirituality of the Mitzvot on a deeper level, including many discussions on the concept of a soul and each student's own feelings about his/her personal Jewishness.

HANDS-ON LEARNING

At Chabad Hebrew School, children discover Judaism through interactive, hands-on activities. Throughout the year, we look forward to including a number of exciting workshops, such as:

SHOFAR FACTORY: Everyone is involved as we saw, shellac and drill – transforming a ram's horn into a usable Shofar.

OLIVE OIL PRESS: Chanukah's story comes alive when kids turn olives into olive oil – just like the Macabees.

MODEL MATZAH BAKERY: Students grind, winnow, knead and roll the dough to make Matzah.

TORAH FACTORY: Using parchment and feather quills, participants practice Torah's ancient calligraphy.

HAVDALAH FACTORY: Dipping candle strings into hot beeswax, kids create a traditional Havdalah candle.

TALLIT FACTORY: Students learn the technique of this Biblical craft of fringe-making.

MEZUZAH WORKSHOP: Youngsters analyze the mezuzah scroll's specifics, and then fashion a unique mezuzah cover.
